## History

Shahabuddin Medical College was established in 2002, fulfilling all the guidelines and criteria set up by the Ministry of Health and Family Welfare, Bangladesh Medical & Dental

Council and University of Dhaka. The government has been pleased to give permission for admission of 100 students in per year MBBS course from the every session. The College has also been affiliated with University of Dhaka and also recognized by Bangladesh Medical and Dental Council (BMDC). The College started with its first admission of 50 students from the academic session 2002-2003. The 500 bedded running Hospital has outdoor & indoor facilities and always busy with patients.

## Campus

**Class rooms:** There are fully furnished class rooms with modern technology. The laboratories of various departments like Pathology, Biochemistry, etc are well equipped with instruments

**Library :** The College library comprises of latest edition of books available to students . The library has a huge collection. It subscribes various international medical journals on an annual basis.

**Co-curricular activities:** Students are encouraged to participate in different extra curricular activities like debate, cultural events etc.

**Accommodation:** Separate hostel for boys and girls. A multi-storied hostel is located inside in the campus situated at main road side and near college building .There are separate blocks having necessary rooms for foreign male students. The hostel is adequately furnished with articles needed for everyday living.

**Canteen:** Large and spacious canteen is located in the Medical College campus.

## Eligibility Criteria

Student must obtain 60% in PCB in Class XII Board Exam. To study Medical in Bangladesh a student must obtain 60% in Biology.

## Why Bangladesh?

- ✓ Its proximity to India only 10 to 12 hrs from Kolkata Bus/ Train.
- ✓ Very affordable cost ranging from 20 lacs to 25 lacs for complete 5 years including all.
- ✓ Students are paid monthly stipend during their Internship.(Unlike other countries where students pay full fees for internship too)
- ✓ Climate/food/Disease pattern same as in India.
- ✓ More than 1200 Indian students studying in the various colleges.
- ✓ Language not a problem as everyone understand English being a commonwealth country.
- ✓ Highest MCI Screening Test passing rate.

## Documents Required

- Photocopies of attested certificates & marks sheets of class X & XII.
- Passport & PCC.
- Health Certificates
- Copy of admission fee receipt for visa.

## Our Services

- All documentation, visa processing, Air/Bus/Train tickets are done by us.
- A pre-orientation class is given to student before their departure to their respective colleges with accommodation & fooding which will be arranged.
- We also organize MCI screening guidance from the second year onwards for overseas MBBS
